# PROGRAM

DAY 1

Monday, August 24

## WELCOME

*In Sáhkaskáidi, 09:00 AM - 11:00 AM*

Rector welcoming speech and academic administration briefing on, among other things, current infection prevention measures at Sámi University of Applied Sciences. You can also watch the event online. The link is available on our website under "What's up". Participate for practical information that may come handy later on.

## GUIDED TOUR IN DIEHTOSIIDA

*In Diehtosiida, 11:00 AM - 11:30 AM*

Practical information for new students and guided tour in Diehtosiida. Student Administration has a stand in the cafeteria.

## MINGLE NIGHT

*In Cafeteria, 17:00 PM*

Do you want to get to know other students, make new friends and have fun? The studentboard is serving pizza and they will also arrange get-to-know games. The games will be streamed and it will also be possible to participate online. The link is available on our website under "What's up".

## GRADUATION CEREMONY FOR 2020 STUDENTS

*In Sáhkaskáidi, 12:00 AM - 14:00 PM*

Graduation is happy occasion when students are awarded their qualifications and can celebrate alongside friends, family and SUAS's staff. Due to the coronavirus (COVID-19), Sámi University of Applied Sciences decided to postpone the graduation ceremony to Autumn. Invitation will be sent to the candidates. After the speeches, there will be a concert with Emil and Lávre.

## EMIL AND LÁVRE

Emil Karlsen (22) and Lávre Johan Eira (19) constitute a new musical collaboration in Sápmi. They are working on an album that explores the dream world in olden days and today.

Karlsen is known to many as a vocalist in the band Resirkulert. In 2019, he was the Young Artist of the Year at the Riddu Riđđu Festival. Over the year, among other things, Karlsen has interpreted several songs by Áillohaš, and been given the opportunity to immerse himself more in yoik, and in particular, explored Coastal Sámi yoik.

Lávre Johan Eira (19) is from Kautokeino. He has received a lot of attention for his music over the past year. In 2019 he performed at the Easter Festival in Kautokeino together with other young Sámi artists. Lávre released the single Beaivenieida in 2019.

### Note!

- Due to the corona situation, we have to carry out the marking in a particularly structured way. It is therefore important that invited guests submit a registration to the event. We can not guarantee that those who have not submitted a registration can attend the ceremony. Registration deadline is 20.08.2020.
- Other students also have the ability to watch the ceremony as it will be streamed in another room in Diehtosiida. You need to register for this before 20.08.2020 to [oahppohalddahus@samiskhs.no](mailto:oahppohalddahus@samiskhs.no).

## OUTDOOR DAY

*Outside Diehtosiida, 5:00 PM*

Bonfire, coffee and games such as lassoing. The studentboard is serving coffee and hotdogs. Children are also welcome.

# PROGRAM

DAY 3

Wednesday, August 26

## OFFICIAL OPENING OF THE ACADEMIC YEAR 2020/2021 AND CONCERT WITH ARVVAS

*Outside of Diehtosiida in the amphi, 10:00 AM - 13:00 PM*

Each year we celebrate the beginning of the academic year with speeches and a concert. We have invited President of the Sámi Parliament of Finland, the mayor of Kautokeino Hans Isak Olsen and Director of ISFI Ánne Lájlá Utsi to speak. After the speeches, there will be a concert by Arvvas.

## ARVVAS

In the duo Arvvas, Steinar Raknes and Sara Marielle Gaup meet through joik and americana, creating new music full of energy. Raknes with his rasp voice and innovative krumspring on his double bass is an orchestra in itself, and together with Gaup's traditional rich and innovative joik, Arvvas music naturally blends together like two rivers that meet.

### Fuom!

- Due to the corona situation, we have to carry out the marking in a particularly structured way. It is therefore important that you submit a registration to the event. We can not guarantee that those who have not submitted a registration can attend the ceremony. Registration deadline is 20.08.2020.
- It will be pointed out that those students who have stayed in countries that the Norwegian government has marked as red countries, are obliged to be in quarantine for 10 days upon arrival in Norway. This means that if you want to participate in the celebration of official opening of the academic year on 26.08, must be in Norway no later than 15.08.2020.

## OUTDOOR ACTIVITES FOR STUDENTS

*05:00 PM -*

The studentboard arranges outdoor activities for students. More details to come. Age limit: 18 years

## START OF THE ACADEMIC YEAR

Start of a new academic year takes place from 24th of August at Diehtosiida. Most of the activities will be with physical presence from week 35 at Sámi University of Applied Sciences.

## TEACHING

Most of the activities will be with physical presence from week 35 at Sámi University of Applied Sciences. The course descriptions will give you detail information about each course, when its taught, time and place.

## INFECTION PREVENTION MEASURES

Sámi University of Applied Sciences constantly monitors the current infection control rules so that events can be carried out. A detailed guide on infection control will be available online before the opening week.

## DIGITAL EVENTS

Most events can be transferred digitally, so that you can follow the streaming online if you for various reasons are prevented from being on campus. Links to various events can be found under What's up on our website.

# THE MOST IMPORTANT INFECTION CONTROL MEASURES THAT EVERYONE SHOULD FOLLOW ARE:

## 01 Illness and quarantine

If you are ill or have a feeling of illness, then you should stay at home.

If you are in quarantine, then do not visit or stay at Diehtosiida.

## 02 Hygiene

Wash your hands often and thoroughly in lukewarm soapy water. If you do not have access to water, use hand disinfection with alcohol based products.

Use paper tissue in front of your mouth and nose when coughing and sneezing. Throw the tissue after use. If you do not have paper tissue, use a flexed elbow.

Wash your hands before touching your face and before eating.

## 03 Keep a distance from others

Keep at least 1 meter away from other people.

## 04 Events have their own measures and rules

Events where many people gathering, have their own measures and rules that everyone must adhere to prevent infection.

The situation can change quickly, and then the measures also change. An update on current measures will then be available on our website. Address of our website is [www.samas.no](http://www.samas.no).
