Thereafter again *Sámi language – semester studies*. These courses are prerequisite for other courses at the Sámi University College that require a certain knowledge level of Sámi language.

## 4. Admission requirements

The education is intended for those who do not speak or write Sámi language. According to the regulations for admission to higher education, Sámi Language in practical situation – Introduction 1. Part and 2. Part and Semester Course in North Sami Language are exempted from the requirement for Higher Education Entrance Qualification. The exception applies to applicants who have a Sami connection due to Sámi University of Applied Sciences regulations. The exception applies to applicants who have a Sami connection according to the following alternatives

- Sami who have lost their language and want to learn Sami language, or
- Employees at public institutions in Sami areas who want to learn Sami language, or
- Others (eg, applicants who live in a Sami family or in a Sami area and wants to learn Sami)

Applicants will write motivation letters explaining which of the alternatives are the basis for the application.

The course has 15 study seats. Prioritization of study seats is done according to the regulations of Sámi University of Applied Sciences:

8 places are reserved cooperative institutions outside the Nordic region.

Remaining study seats are prioritized as follows:

1. Sami who have lost their language and want to learn Sami language
2. Employees at public institutions in Sami areas who want to learn Sami language
3. Others (eg, applicants who live in a Sami family or in a Sami area and wants to learn Sami)

## **5. Teaching language**

The use of the Sámi language is emphasized and employed from the beginning.

## **6. Contents**

The environment of communication is organized for practical situations. The students are expected to communicate in Sámi language among themselves and to the teachers whenever working. Central learning themes are connected to Sámi traditions, life sustaining issues and other areas. The introductory headlines for the themes are:

The local environment

- the community and buildings
- winter clothings
- socializing and service situations

Life Sustaining issues

- time concepts (hours, days and nights, months, seasons)
- weather, travelling and navigation
- nature terms and place names
- sámi traditional life sustaining models

Basic societal encounters

- art, traditional handicraft, literature, religion and music
- sámi linguistic working and cultural institutions
- media and other means of communication

The very basics of syntax, morphology and phonology will be handled. The part of speech inflect patterns and consonantal gradations will be taught along with practical work in various situations. Phonetics will naturally be connected to oral language practice.

## **7. Learning outcome**

After completing this course, the student shall be able to exhibit the following:

- understand and use common speech and sayings in everyday life situations;
- be able to shortly tell about oneself and common activities;
- be able to ask and answer questions regarding what one does have or not have, ones location, where one is going, the weather and the environment;
